 - c. Receive a decision on your grievance within 30 calendar days from the date it was filed.
 - d. Authorize another person to act on your behalf regarding your grievance or appeal (including a provider or an advocate).
 - If you agree to have another person act on your behalf, you may be asked to sign an authorization form, authorizing the county to release information to that person.
 - e. File an **Appeal** orally or in writing within 60 calendar days if your services are terminated, reduced, or denied.
 - f. Receive a written letter to let you know your appeal has been received within 5 calendar days of receipt.
