Problem List

- The problem list is a list of symptoms, conditions, diagnoses, and/or risk factors identified through assessment, psychiatric diagnostic evaluation, crisis encounters, or other types of service encounters.
- The problem list shall be updated on an outgoing basis to reflect the current presentation of the beneficiary and maintained in the client record.
- If applicable, add any problems/diagnosis identified by a provider acting within their scope of practice or problems identified by the beneficiary/significant supports person, if any.
- The problem list does not need to be submitted with the Outpatient Authorization Form.
